Cathy -
well you cut me in my annual but I won't cut you. (see I'm nice, just like I was in St. Ames). How down to business. I don't want you a sorry year to do anything bad in Hawaii this summer. That means don't chase the boys. Since you so nice look up my uncle Mr. Robert Main. He is superintendant of schools in Hawaii. well since your starting to get mad I guess I will stop.
Best of luck

- Cathy -
I've really
enjoyed knowing
you in HIGH SCHOOL,
& all the classes
we've had. I hope
next year we can get
one that we're both
really good at, with a
great teacher. Have fun
this summer & get ready
to come back as marvelous
seniors. Love - & laughs

FOR SUCH ARE WE

A burst of laughter, a sudden sigh, footsteps hard and light . . . . . .

The football games, dragging main, the Junior-Senior Prom . . . . . .

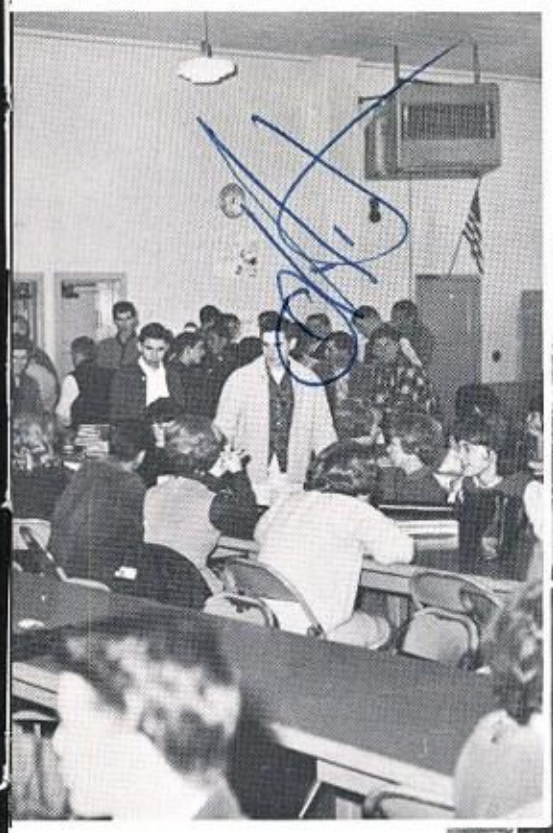
Semester exams, the Porterville Fair, the Senior Assembly was great . . . . . .

Those apple lunches, the rally skits, all up to Graduation Day . . . . . .

Each brings memories to mind representing our high school years.

A turmoil of emotion, activity, and hard work is the pattern for this short phase of life . . . . . .FOR SUCH ARE WE.

With the home games came the usual Friday night serpentines. Rally wagon, Cheer and Song Leaders, Pep Band, decorated cars, and enthusiasm were the ingredients necessary for the fabulous turnout of rooters.



The cafeteria was a gathering place for those who wanted to eat, keep warm, and for spreading gossip.

The familiar hallway scenes of those scurrying to class, those discussing activities, the facial expressions, the clang of lockers — memories of our high school years.

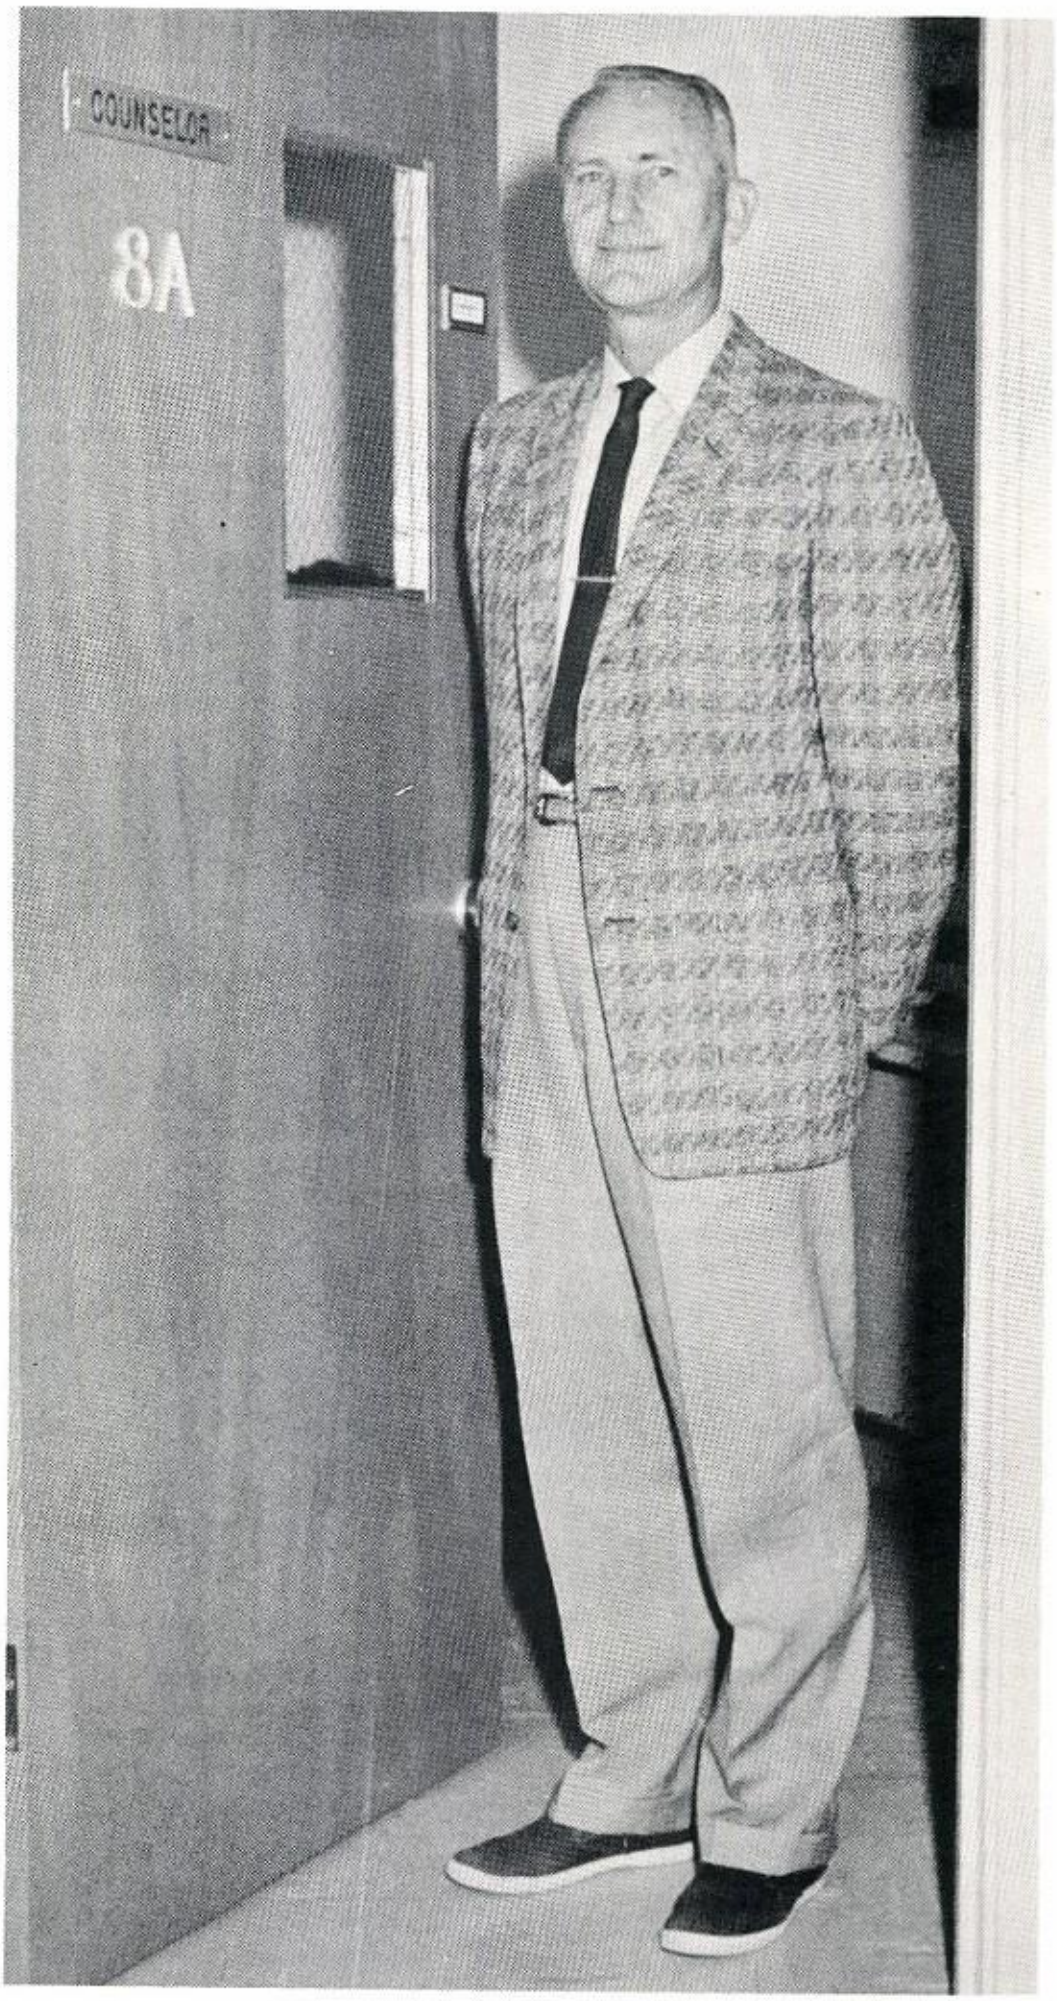
WE DEDICATE

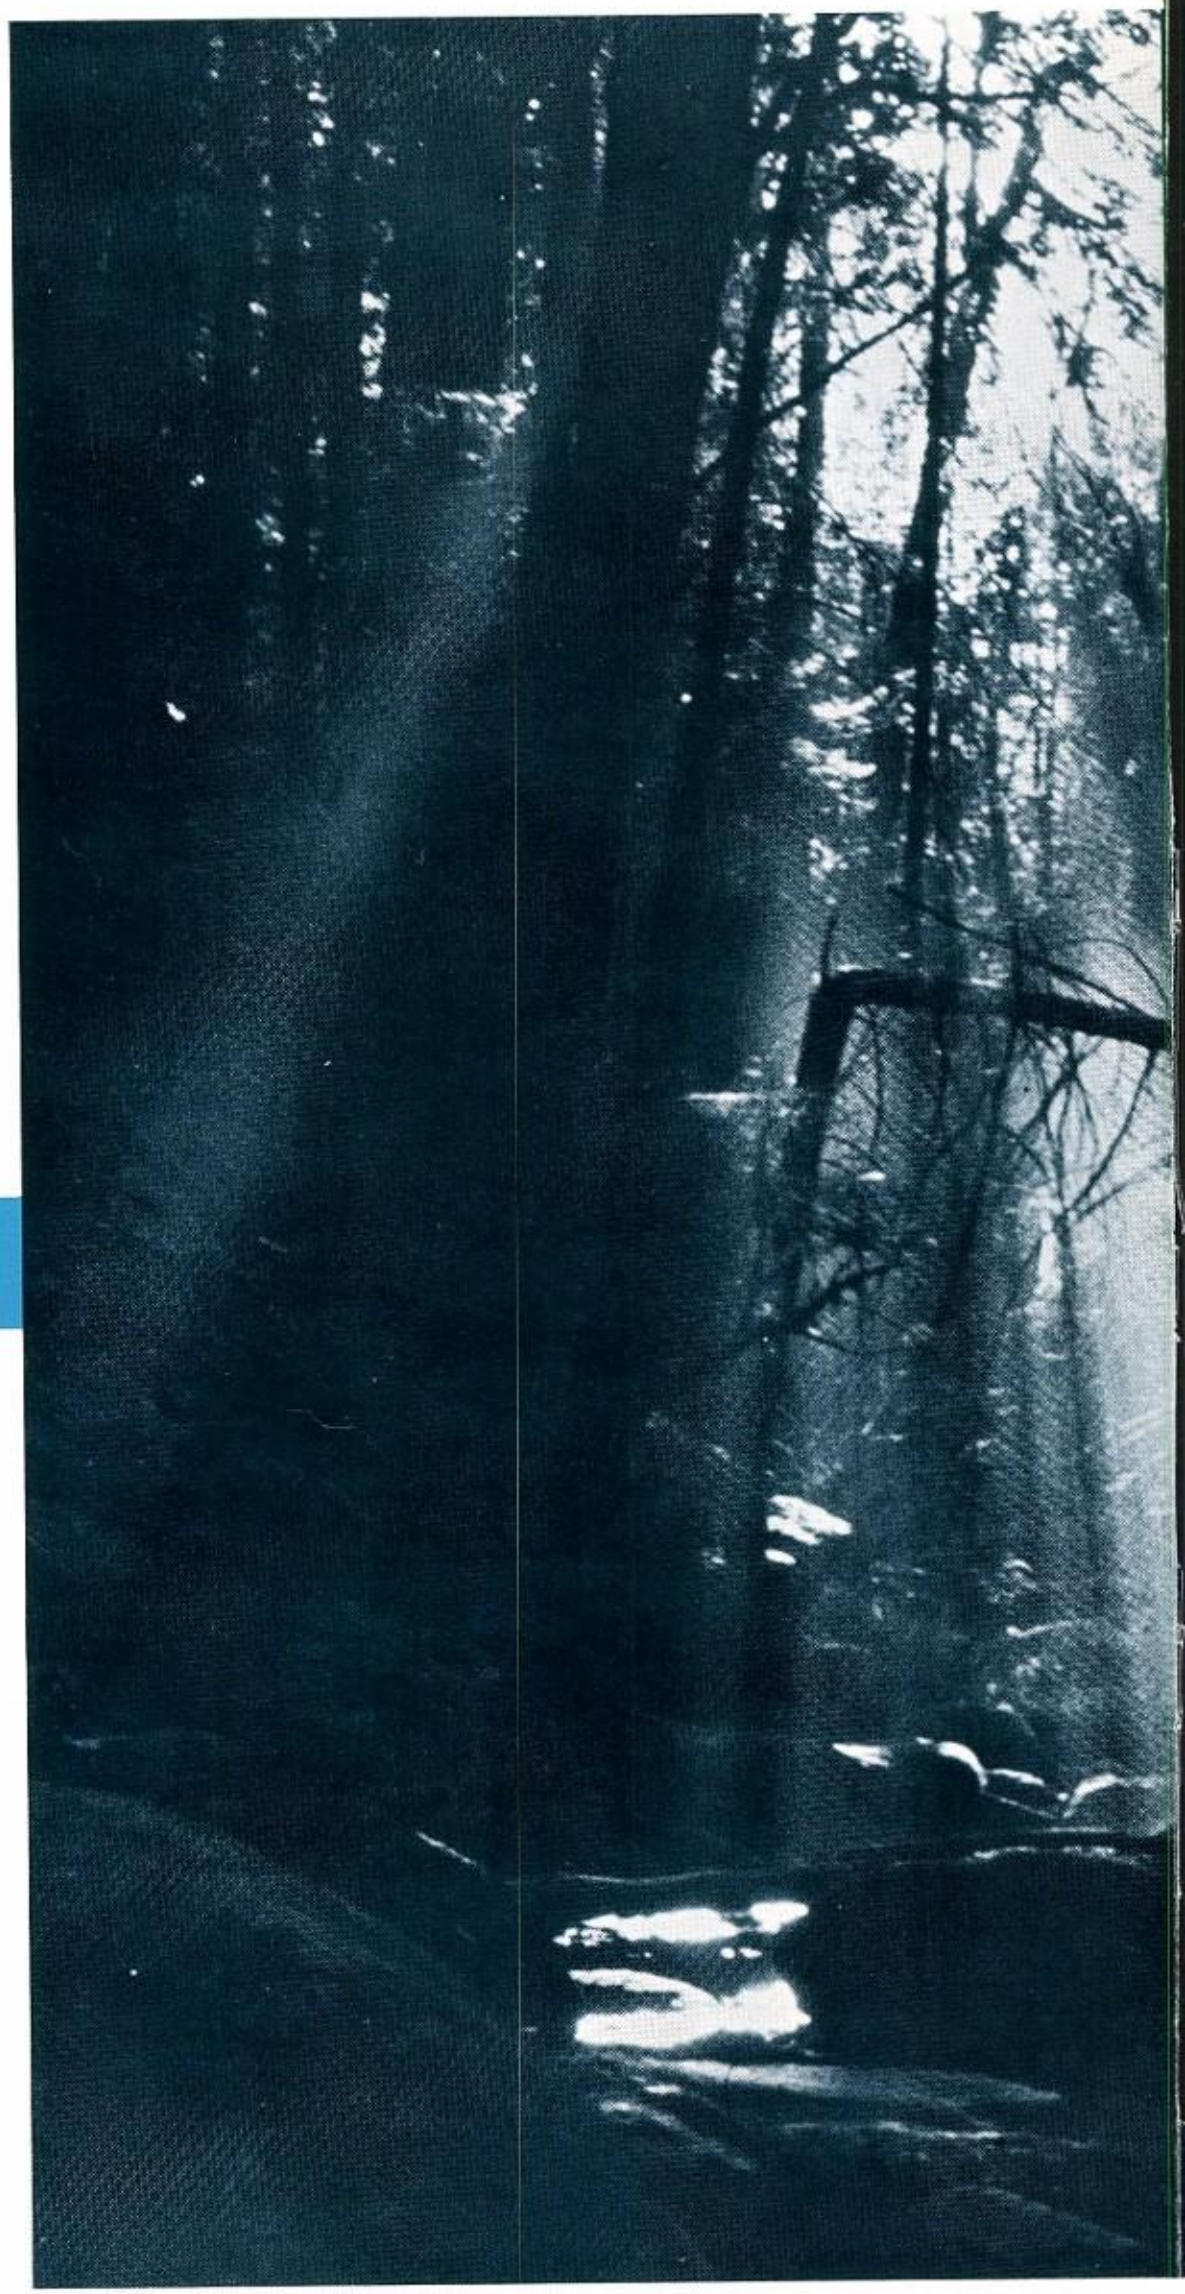
Mr. Edward A. Landgraf has given 23 years to helping students. From 1940 to 1955 he was a teacher, attendance officer and boys' Vice Principal. He was the Principal of PUHS from 1955 to 1959. He was dearly loved and respected by all the students who knew he had a difficult job without a Vice Principal. In 1959 he became a counselor in order to continue to help with education but to eliminate the strain of administration.

As a counselor, Mr. Landgraf continues to come in contact with students. His pleasant smile and kind words show students that he is a friend. He is dedicated to his work and effective in his ways. His service given to education, his fine character, and our great respect for him, are just basic reasons behind our decision to dedicate the 1964 El Granito to Mr. Edward A. Landgraf.



Mr. Landgraf, now a Counselor, always has an open door and a friendly smile for everyone.

Mr. Landgraf is continually reviewing the programs of students in order to help each in his specific problem.



IN MEMORIAM

DIRGE IN WOODS
George Meredith

A wind sways the pines
And below
Not a breath of wild air:
Still as the mossess that glow
On the flooring and over the lines
Of the roots here and there.
The pine-tree drops its dead:
They are quiet as under the sea.
Overhead, overhead
Rushes life in a race
As the clouds the clouds chase:
And we go,
And we drop like the fruits of the tree,
Even we,
Even so.

Student life on our high school campus can be a fond picture of the rallies or the assemblies or the fire drills we had. Some may picture a bonfire or Western Day or a club initiation. Each individual will remember distinct activities. One of the most common activities of the typical Porterville High School student was the mornings spent in the new student center, talking and planning and encouraging friendship. Here is a small view of our campus. It shows friendship and studying and student-teacher relationship. We hope it represents the activity and emotion of all of us.

The bell rings. There are six minutes to get to class. There is the clang of lockers being opened and shut as each student rushes to get his books. The hallways are crowded, the noise is deafening . . . . Oh, not another tardy!

The education one gains in high school marks an important phase in one's life. To most students it represents a turning point — an opportunity to mature and prepare for college or for marriage and the future. CLASSES are the most important part of the average high school student's day at PUHS.

Cathy-
Well, Latin III is really over and we are almost great big wonderful - Seniors. I hope you can take Latin IV next year - I don't want to be the only girl. Good luck in the future and have fun this summer.

Always

Four years of hard work, dances, clubs, sports, and lots of fun are the memories of a 1964 graduate. The freshman year was a year of hazing, of learning, and of maturing. The sophomore year was progress and profit and fun. The responsibility of an upperclassman and the discovery of the key to life came with the junior year. Finally, but with sadness, the senior approaches graduation and the open door of maturity. After passing through this doorway to individual opportunity one is on his way to a new life: college or marriage or immediate employment.

These past four years have made a mark in the life of every senior pictured on the following pages. In each face there is an expression of happiness or sadness, of intelligence or maturity. It may be the pleasant smile of the friendly student or the solemn expression of knowledge. Each is now an individual.

Looking back on this year, there are many recollections for the class of '65. The obligations of an upperclassman came with the much-anticipated privileges. American history and junior testing were parts of the year that all those who took them will remember. Some of the more pleasant aspects of the year included the Junior Play and the Junior-Senior Prom. Everyone worked exceptionally hard on the play, and the prom was one of the highlights of the year. Of course, there was the assembly, which was a unified effort of the Junior class. All these events, and many more, made this a memorable year.

SOPHOMORES

People change from year to year, and the view of life never remains the same. For the class of '66, this became more apparent as they stepped up from freshmen to sophomores. Their chief duties this year were electing class officers, presenting the Sophomore Assembly, and selecting class rings. It was a year in which class unity was developed through cooperation in the many activities of the year.

FRESHMEN

Long halls, innumerable doors, and a sea of faces were the first impressions felt by most of the class of '67. Being a freshman on a large high school campus is really a new experience. It was a year in which they learned to work together by producing the Freshman Assembly and electing class officers.

STUDENT-LIFE

Student life, the candid and humerous actions of students on our campus is what each of us sees everyday. These are the things we love to do — the things we do naturally — they show students as mature or immature people, as happy or unhappy people, as interesting or uninteresting people — for such are we.

"Be true to your school."

The second annual Christmas Ball was a fabulous success.

A Russian folk group was part of the cultural entertainment presented at the Mardi Gras.

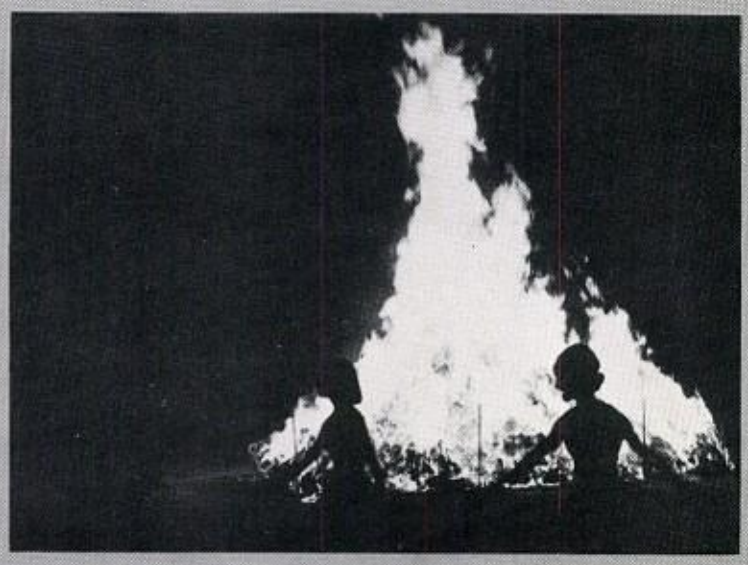
The familiar after-school rush scene in the parking lot — students just can't wait to get home to start on homework for tomorrow?

Girls have a tendency to gossip.

Must be Friday — gym clothes, books, and haggard looks

Back to 7th period.

Guess who won?



The bonfire was one of the most outstanding exhibitions of school spirit this year.

The Student Center is the "hub of activity" at PUHS.

Wild screams from Latin slaves, loud music from the Girls' Gym, frantic rushing for an Orange and Green, and smiles and laughter everywhere. Fun is a key word to most teen-agers. The extra curricular activities at Porterville High School bring excitement into the lives of those who seek it.

The clubs, dances, initiations, publishing the Orange and Green, the Infernal Journal, and the El Granito are all activities to be participated in by PUHS students. The clubs are to promote friendship, leadership, cooperation, and school spirit. Dances are for recreation and to promote acceptable high school relationships. Our publications and yearbook are to keep the students informed of current activities and to record memorable events in our high school years.

ACTIVITIES

Richard dons the typical German attire called Lederhosen, and tries to adjust to this different way of life.

GERMAN AMBASSADOR

I was lucky enough to represent our school in the AFS Americans Abroad Program in which a student from the United States lives with a family in a foreign country. I sailed to Europe on the **Seven Seas,** along with 700 students destined for Europe and Western Asia.

The Harenburg family with whom I stayed own about 150 acres of crop land, and the house I lived in was 250 years old. Our village, Grandsorf, was nestled in a little valley in the hilly country of central Germany. There I had a chance to learn about the German people, their language, their history, and their customs.

The most impressive part of my trip was my visit to Berlin. To the Germans, Berlin symbolizes the fact that they are a people divided, and they can never rest until they are reunited. Seeing the wall and the crosses showing where people have died trying to escape, proves that we can never allow tyranny to come to our own country, and we must prevent it from spreading in the world.

My two months in Germany affected my life very much. It not only gave me a deeper understanding of the German way of life, but also of my life. I appreciate greatly this opportunity which the American Field Service and the school here gave me to represent our country in Germany this summer.

Richard Marshall

This is the Harenburg family whom he so fondly remembers.

Richard shares with his own brother Bobby, memories of his summer abroad.

NORWEGIAN GUEST

My main interest in life, as far back as I can remember, has been differences: the comparison of different societies. Therefore it was a dream come true when I was notified that I was going to spend a year in a foreign country.

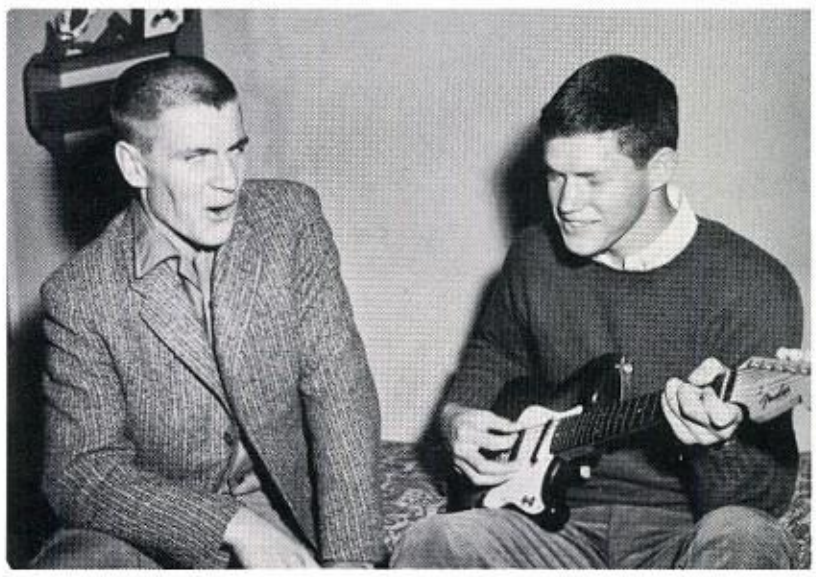
I have really enjoyed attending Porterville High School, as a member of the varsity football team, an experience I never will forget, partly because of its competitive spirit, and partly because of the companionship among the players, and as a member of the brilliant Porterville Panther Band.

A fact that caught my attention when I arrived in California was a false picture I had imagined of the people living here, probably caused by unrealistic Californian movies shown in Europe. I will be happy to correct the false ideas Norwegians have of Californians, and to clear up some of the misunderstandings existing between the two countries. On the other hand I hope that people who have come in contact with me have had their horizon broadened about my country.

I would like to express my gratitude to the American Field Service, Porterville High School, and all my wonderful family here in California, who have made my stay here possible, and given me maybe the happiest and most valuable year of my life.

Ola Karolinussen

Ola pauses for a moment while on the band trip to Disneyland.



Ola and Barry cut up during leisure time at home.

The Jackson's home is the American home for Ola.

With the great progress that is so eminent of the world today, leadership is a growing responsibility. This pattern of leadership has become the influencial key for the future of our nation.

The Student Council is the nucleus of the school and welcomes and accepts new responsibilities and challenges. Student Council's activities are many and under their direction are school activities and funds. With the great support and enthusiasm shown by the students complete harmony has been achieved with gratifying results.

Under the capable guidance and assistance of Mr. Carl Faller, council has enjoyed a very successful year. We considered it a high honor to have had the priviledge of serving you, the students, and would like to extend our most sincere appreciation for having been given this opportunity.

Friday noon — there is the rushing sound of students — each fighting and grabbing and panting. All this for an Orange and Green? Yes — all this. Our school paper, published by the students of Porterville Union High School, filled with social news, activities, and sports, is one of the few ways students are informed of the current events around our campus.

The Orange and Green staff has a new member this year — their mascot Ogee. He dosen't help with the writing or the publication of the paper, but he brings smiles and raises the spirits of all the staff members.

The El Granito staff has embodied the past year within this book. The staff, however, has only furnished the outlines of the story that we find when we turn these pages filled with warm smiles of friendship and many happy recollections. The rest is up to the individual.

It is not only today that you will appreciate the El Granito. Tomorrow, when it is not so easy to think back on 1964, we will treasure the memories this book has stored for us.

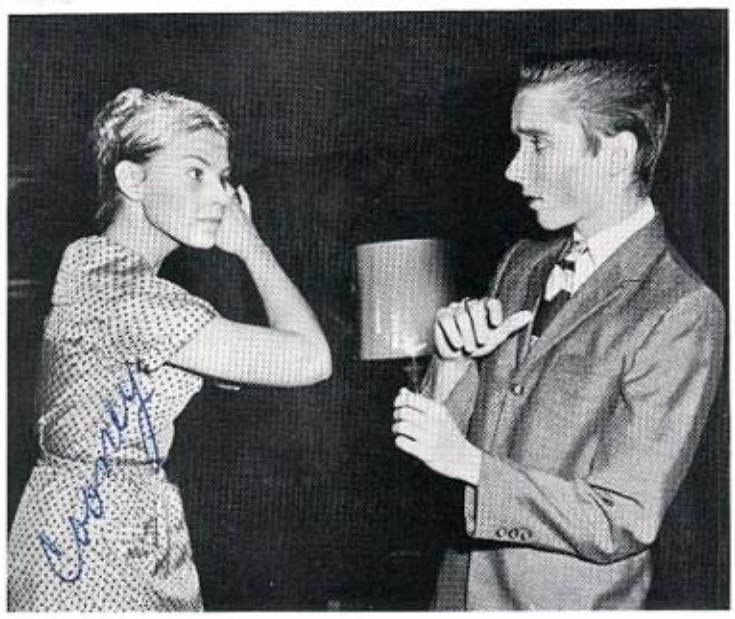
Martin Mullahone (the publican)	D. Edward McKee
Rosey Violet (his wife)	Carol L. Wilenius

SHADOW and SUBSTANCE was presented by the Senior Class of 1964. This was an Irish play, written by Paul Vincent Carroll. Carroll's basic message in the play was that good for evil prepares the way to a good life and eventually a world based on trust rather than mistrust. The plot is shown as a final understanding between two men of differing opinions (the proud Canon and O'Flingsley) because of the innocent love and simplicity of a young girl (Brigid.)

The Canon comforts Brigid.



How dare you . . . .

The book causes a moment of tension.

The meeting at Canon Skerritt's was an experience for all.

Just you wait til we get home.

The death of Brigid brought these two together.

"Because Their Hearts Were Pure", a comic melodrama, was presented by the Junior Class for its annual play.

The play opens with a happy family who has just met their mortgage payment. Unfortunately next year's payment depends upon a new vein of coal, which doesn't come through. The hero (Goodwin Darymple) and the heroine (Melody Truelove) must seek employment in other cities. However, Melody loses her position at the local school house because of the villian (Sebastian Hardacre) who wants the mortgage to fall through so Melody will marry him to save the homestead. Hardacre has Goodwin shanghaied for the same reason. Hardacre's victims discover his plot so he plans to trap them in the mine. His plans are foiled when Goodwin returns from sea and saves them from their doom.

Goodwin to the rescue!

The widows and Melody show admiration for gallant Goodwin.

The lost Will is reunited with his wife.

Goodwin fights off temptation.

Dominating school board member denounces Melody.

Melody's employers check her references.

The Sophisticated Six.

It takes all kinds . . . . .

SENIOR ASSEMBLY

But in secret our hearts will cry . . . .

The day of the Senior Assembly came and they called it OFF. The scene was an off-beat night-club; the people were a unique society; the acts and skits were so cleverly combined as to make the assembly a satire of sophistication.

This was the last assembly for the Class of '64; this had to be something to remember. And I'm sure you'll agree - - - we're glad that they decided to call the whole thing OFF.

Let's sing about THIS LAND.

Doesn't that music (?) just send you.

The Senior Band swings with Miserlou.

The lights are dimmed; and Johnny is gone for a soldier.

Toy soldiers are what every little (?) girl wants for Christmas.

Singing dolls set the mood for "Toyland."

JUNIOR ASSEMBLY

A jab with a sharp stick will make even a rag doll come to life.

It seemed just like a normal day in Toyland during the Junior Assembly. When a sailor asked for something different, some dancing Swedish dolls were glad to oblige. Then came a little girl who demanded to see Santa. Neither a dancing "Chattie Cathy" doll nor a salesman playing his banjo could distract her. When things settled back to normal again, dancing dolls and marching tin soldiers amused the Christmas shoppers. Then three intoxicated hobos wandered in to disrupt things once more. As the shop prepared to close, the toys were set in place and the janitors cleaned the floor. The assembly ended with a bang as the store was robbed at gunpoint.

Three tipsy hobos sing "Show Me the Way To Go Home."

The Tule River Boys trade their mops and brooms, and sing a song.

This singing doll dances too.

Jerry plays his banjo while he sings about Jessie James.

The Tirmites liven' up the fabulous Sophomore Assembly.

Lou Ann and Debbie dance through the "Back Door".

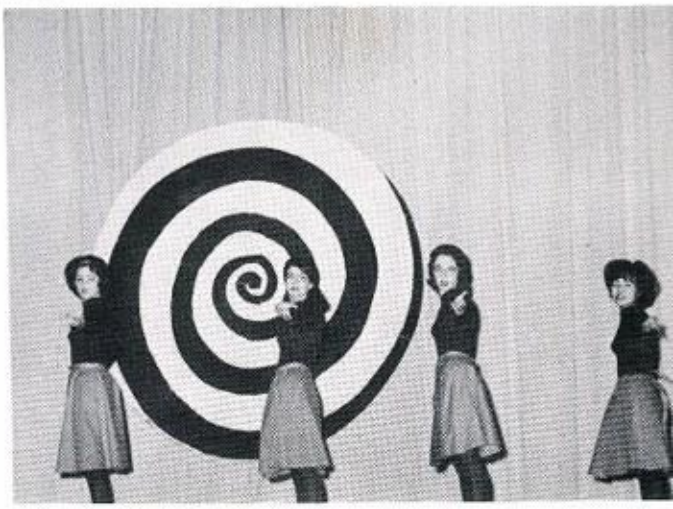
"Outer Limits" beauties.

SOPHOMORE ASSEMBLY

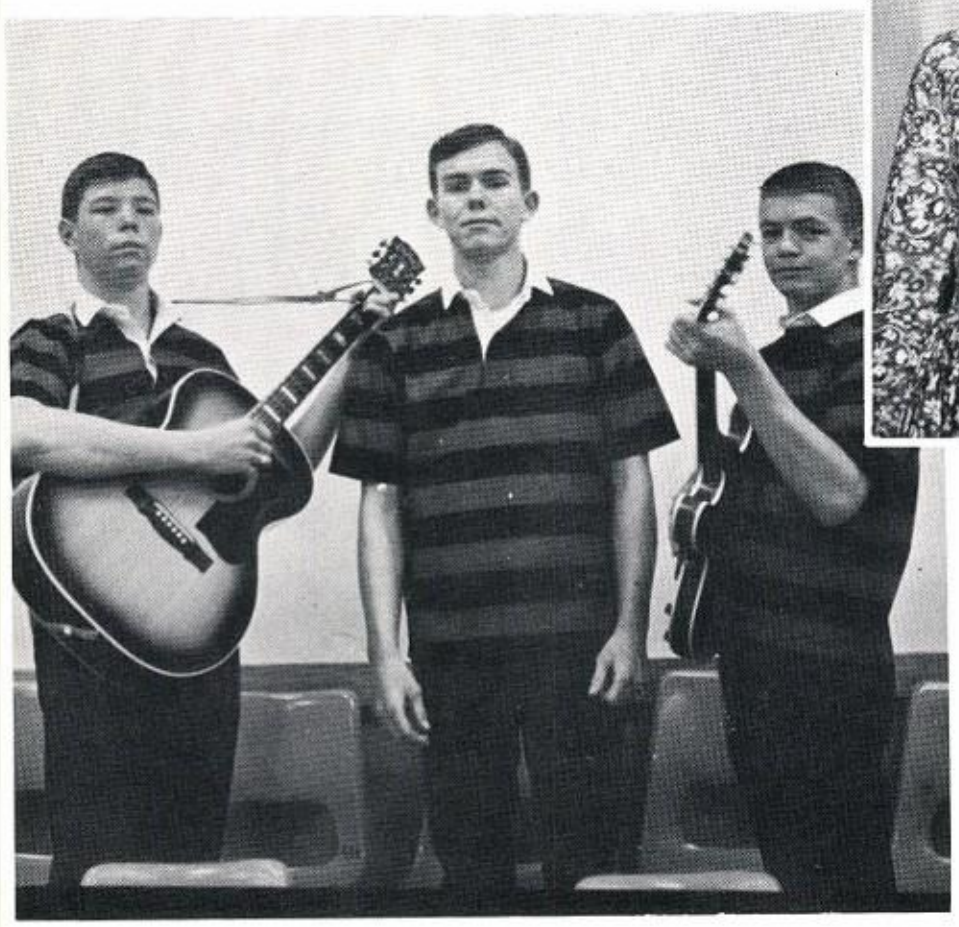
An opening of "The Outer Limits" set the theme for the Sophomore Assembly. That day saw more space people at P.U.H.S. than ever before. Combined with a mysterious voice that introduced them, these "foreigners" presented a memorable assembly.

Or would you rather be a Sophomore?

RIGHT: Nancy sings — "Johnny I hardly knew ya".



Four Martian girls present their problems.



The Countrymen sing of the "Sound of Freedom".

"I've Got a Hammer" is pounded out by the Beatlettes.

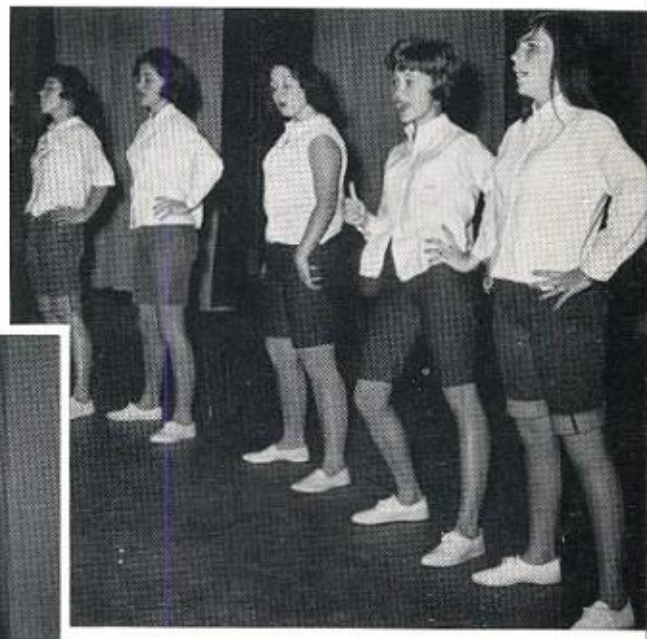
How many times can he hurt you?

Oh, Johnnnn — Yes, Marsha . . .

It's a young world!

FRESHMAN ASSEMBLY

The theme of "It's a Young World" was carried out by this year's freshman class for its annual assembly. The vitality of the modern world was demonstrated with modern dance and singing acts.



A modern dance for a young world.

Johnny—let me go with you . .

Two cute hoboes do a dance duet.

These two Freshmen show off some rhythm.

The Rhythm Teens wail.

Batons flash to a swinging number.

SPIRIT BUILDERS

Ron and Company solemly lead the way to the "Bury Tulare" rally.

The cheerleaders this year were chosen on an individual basis. They developed a new style of cheerleading which combined somersaults and pyramids. Their pep made the crowds respond with enthusiasm.

The songleaders were also chosen in the new way. They, too, did much to boost school spirit. With their lively routines and vivacious personalities, they gave a big lift to the teams' morale.

LATIN

Latin — the annual slave auction is probably the most memorable day when a typical student thinks of language club initiations. There are many other things the Latin Club does—they are saving to contribute for a project for school improvement; they take an annual trip along with the other language groups; they give a scholarship; and they usually sponsor an after game dance. The Latin Club is always a large club, and, as everyone knows, it promotes good student relationships.

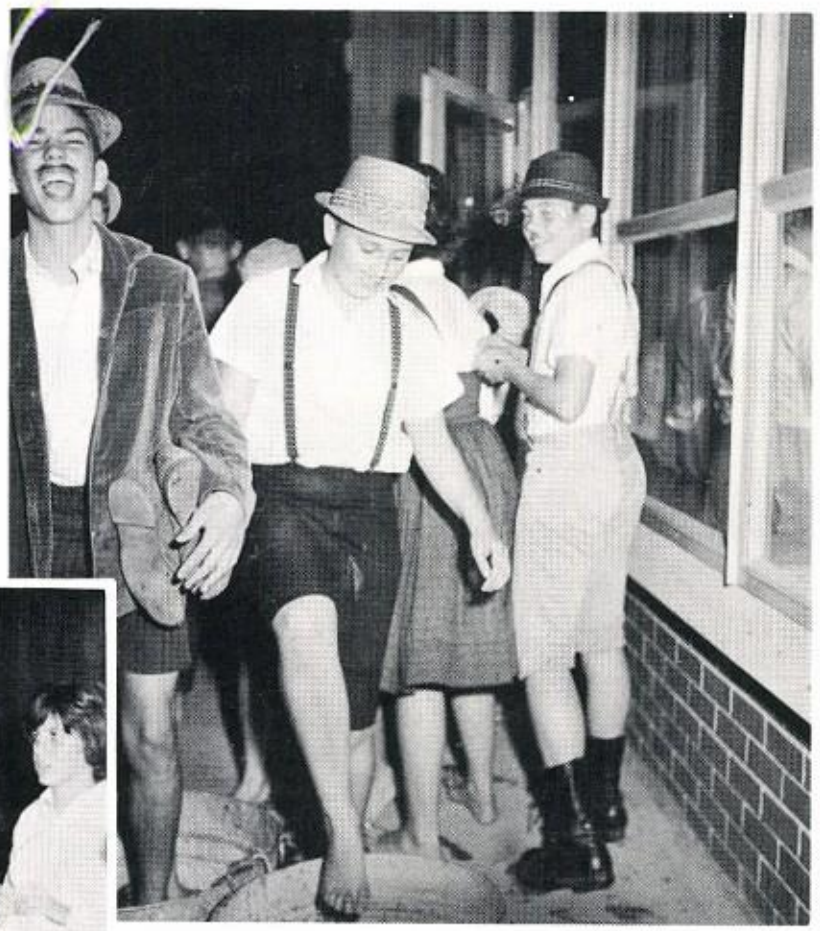
GERMAN

As in past years, Der Deutschverin was active on our campus. This year, the club held its second initiation. There were even more initiates this year than last. New members were put through familiar trials and tribulations before they were finally "official" members. The club also sponsored a dance to raise money for scholarships.



GERMAN CLUB initiates slosh around in wonderfully gooey, smelly grapes.

PANTHER BAND

This year, the Panther Band continued its fine tradition of presenting good music here at home and in other communities. They went to the Annual Long Beach Band Review, where they placed fifth in class "A" bands. While there, they marched in the Hollywood Christmas Parade for the first time. They also appeared at Disneyland and in a parade and a show.

Closer to home, the Panther Band marched in the Delano Harvest Parade, the Dinuba Raisin Parade, and the Tulare Dairy Fiesta Parade. Here in Porterville, the band appeared in the Memorial Day and Western Day Parades. They gave half-time shows for both the high school home games, and the college Memorial Day home game.

Of course, there were the yearly Band Concert and the Music Festival which were highlights of the year.

STUDIO BAND

The Fabulous Studio Band, good will ambassadors of P.U.H.S. and College, have traveled far and wide to present shows of "big band" music and sound to enthusiastic audiences. National fame has resulted from appearances such as those at Disneyland (pictured here), at the Seattle World's Fair, and at American military installations stateside and in the Orient and Hawaii. Band members are kept hopping by the numerous engagements which they play for local and out-of-town parties and dances. Director Buck Shaffer said that activities planned for this year include playing for the local City of Hope Benefit Show and traveling to the New York World's Fair this summer. With Mr. Shaffer's inspiring and energetic direction, this group will be paying for their own expenses by playing shows along the route. **BOTTOM ROW, LEFT TO RIGHT:** M. Jenkins, B. Hurlbut, J. The athletic program of sports at PUHS contributes to and aids in developing good sportsmanship, strong bodies, promotes friendship, leadership, and builds strong minds and mental alertness.

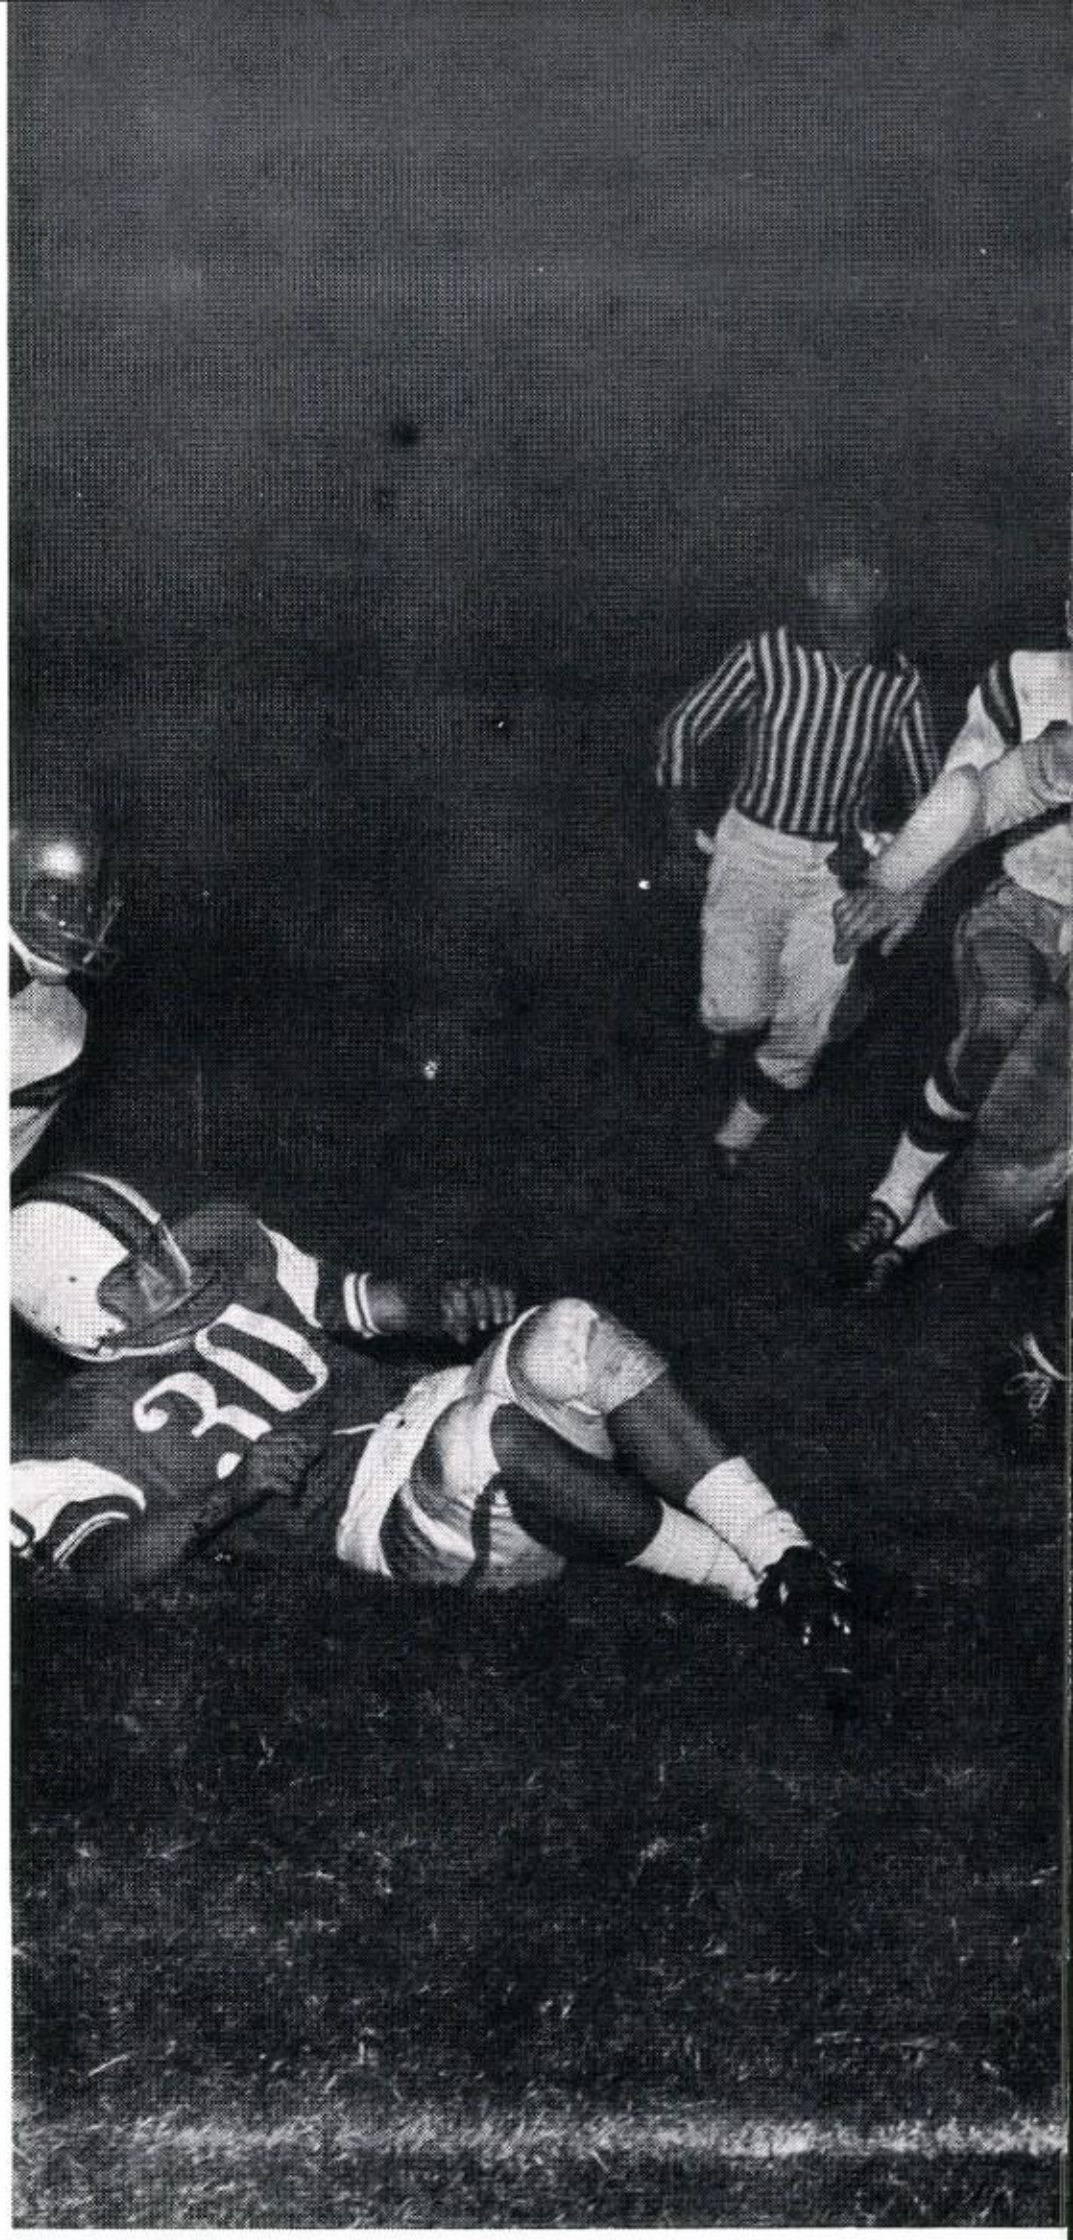
Through sports, fun and experience come to both the athlete and the observer. This year has been great. PUHS has boosted school spirit to the highest. The football games were wild with excitement, the band gave tremendous half-time shows, the song and yell leaders were hoarse and exhausted by the end of the season. Basketball brought new thrills. The games were fast and enthralling. The season was right for track and baseball and the boys were ready for it. Spirit reached its near highest in Spring sports.

The boys who actually participated in the sports of 1963-1964 and their coaches who made it possible for them, are pictured in this section of the book. Every picture should bring back memories of hard work, of fun, and games we lost and won.



P.U.H.S. sports year started with a bang as the football team captured the Central Yosemite League Championship.

The fighting Panther Varsity gave a hard-driving performance this year shown by their tremendous 8-1 record, clinching for them the Central Yosemite League Championship.

This season was filled with many thrills for football fans as the Varsity won most of their games by lop-sided scores. Fans were particularly thrilled when the mighty Panthers invaded Redskin soil, beating our Tulare rivals 7-6.

Line Coach Bob Bottoms did a tremendous job in developing the Varsity line into the championship wall that is such a vital factor of a winning team. The high caliber of the team members is shown by Van Smith, Troy Cox, Juan Hernandez, Larry Brown, Jim Crichlow, and Jim Lombardi who were selected as All-League players. Those players deserving honorable mention are Bob Cross, John Clark, and Bill Nicholson.

Says Coach Sim Iness, "The attitude and desire of the squad members was excellent. The student body support and enthusiasm was the finest I have ever witnessed. Those are the ingredients which winning teams must have."

"B" CLASS

Coach: Mr. Bob Otto

Coach: Mr. Darryl Williams

The Cub's season this year is the story of a terrific comeback. Although most of the players had little experience, they showed a lot of determination and spirit. After not having scored a single point in the practice games, the team was fired on by their smashing win over Redwood with a score of 32-0. Then the boys came back to win four out of five of their league games, capturing second place in the Central Yosemite League. The end of the season showed the Cubs with a 4-3-2 record.

Coaches Bob Otto and Darryl Williams point out that All-League players Ruben Gonzales, Tom Cemo, Chris Berryhill, Rick Colson, and Dave Mann should be recognized for their top performances during the season.

JUNIOR VARSITY CYL CHAMPIONS

Coach: Mr. Dave Frederick

The Junior Varsity Squad, coached by Dave Fredericks and Harlan Hawkins, finished this season with a 5-2 record, making them the Central Yosemite League Champions. The first-string offensive team racked up an outstanding record which is typified by fullback Mike Brown's eleven touchdowns. Equally outstanding performances were exhibited by Webbie Loyd, fullback; Robbie Santry, center; Roger Castaneda, tackle; Mike Wall, tackle; Jackie Rapp, guard; Carl Richey, guard; under the leadership of quarterback Larry Stafford. Defensive players, Jackie Rapp, Carl Richey, and Eddy Johnson also deserve commendation.

J. V. fans saw some exciting action at the Bakersfield game when Porterville won by a score of 6-0 on a fifty yard kick-off return by quarterback Stafford. The boys really started rolling in the 32-14 game against Mt. Whitney in which Mike Brown's three touchdowns plus the passing and receiving combination of Larry Stafford and Webbie Loyd paid out dividends by clinching the C. Y. L. Championship.

The J. V. games taught each boy better sportsmanship.

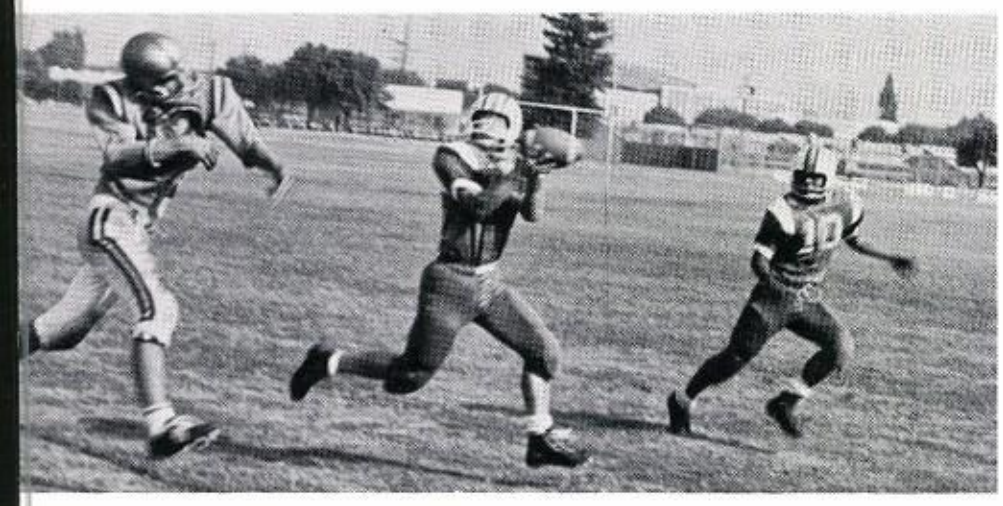
"B" RESERVES

Although the team did not win any of its games this year, the team members gained invaluable knowledge for future participation in football.

This season provided the "B" Reserve team members with good experience and helped them to gain confidence in themselves.

Coach Bill Joos feels that the following boys deserve recognition for the fine team spirit they displayed throughout the season: Bob Bennett, Tom Bergthold, Rolan Cook, John Longley, Ken Moorehead, Bill Slaughter, Clark Stephens, James Wiens, and the team captains Gerald Lumley and Bob Hernandez.

Mr. Joos stated, "We hope to see them playing on the Junior Varsity and Varsity teams of the future.



Where's that man in the open?

Carillo, R. Short.

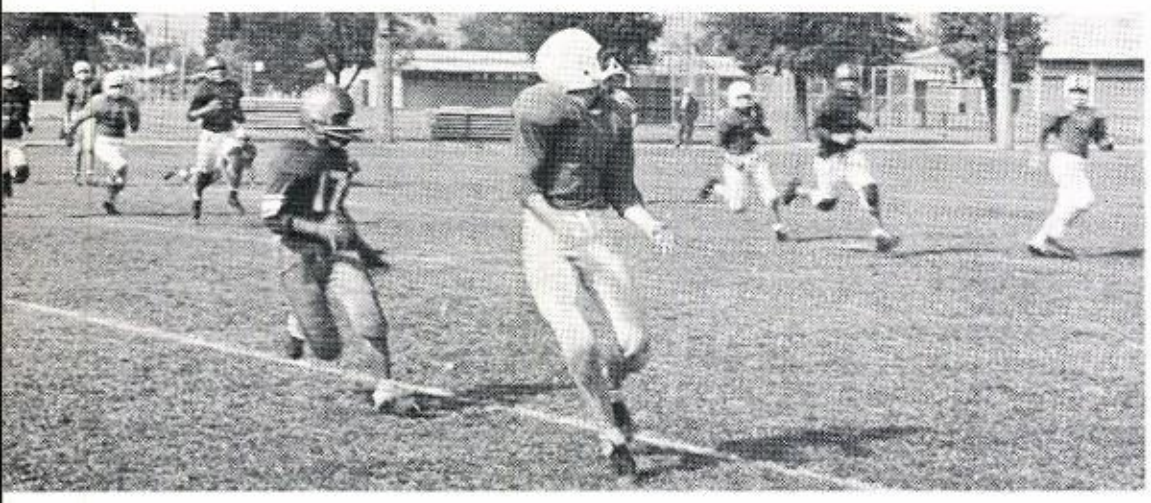
"C" CLASS

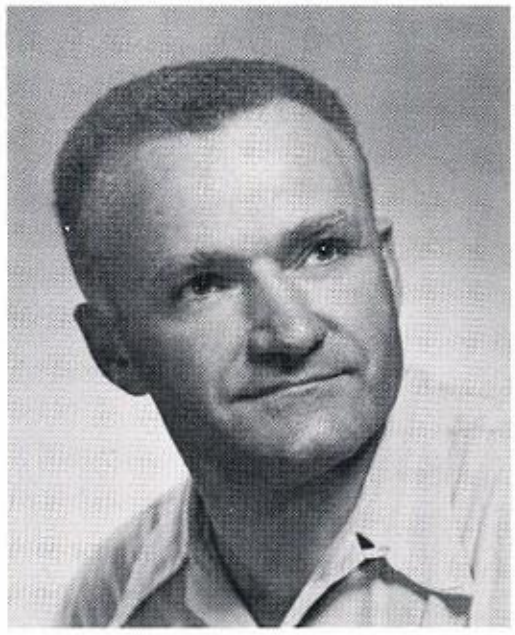


Complete or incomplete, the form is excellent.

The "C" Class football team's best efforts this year came against Tulare and Mt. Whitney winning the Tulare game by a score of 12-6 and losing the Mt. Whitney game by a heartbreaking one point. Although the team ended the season with one game won and six games lost, they showed the spirit and fight that characterizes good sportsmanship.

Coach John Herrell feels that Bob Alcaparras, Chris Olivera, and Ron Moore deserve recognition for their team spirit and co-operation. Coach Herrell refers to the team as a good fighting group of Kittens.

In spite of the team's record, the boys gained the experience and ability needed for future participation in football.



Coach: Mr. John Herrell

BOTTOM ROW, LEFT TO RIGHT: J. Johnson, S. Lawson, D. Winningham, B. Nicholson, P. Lopez. **ROW TWO:** B. Bovetti, G. Ruiz, M. Regan, D. Castrillo, A. Pence, J. Ruiz, P. Crane. **ROW THREE:** R. "C" RESERVES

Around the end for more yardage.

Along with fundamental skills of tackle football the "C" Reserve team members, acquired experience and confidence that will be an invaluable asset in future years of sports participation. The team finished the season with one game won, three lost, and two tied, with a formidable win over Delano's "C" Reserve squad with a score of 14-7.

Coach Roger Bosshart feels that the offensive playing of Bob Pugh, Martin Rey, Joe Ruiz, John Tucker, and Peter Crane deserve recognition. Best players on defense were John Johnson, Scott Lawson, Bob Reyes, Earl Lisenberry, and Walt Kirchner.

Coach: Mr. Roger Bosshart

WATER POLO

is a new sport on the P.U.H.S. campus this year. Coached by Mr. Lowell Semans, the first water polo team walked off with a 7-1 record and the Central Yosemite League Championship.

Water polo gave P.U.H.S.ers a new type of thrilling intramural sport. Fans will remember the last game of the season in the League Tournament against Mt. Whitney, who had previously handed us our only defeat. The teams battled to a 7-5 victory for Porterville.

When asked to name his best players, Coach Semans replied, "None were best and none were great. They were all good and eager and, most of all, played as a team—this was the best player, 'our team'."

Although this year the League consisted of only three teams, next year's League will include at least eight teams and competition will be much greater.

Coach: Mr. Lowell Semans

VARSITY

Coach Ron Kavern gives the team a few last-minute pointers before the Panther cagers go into action.

There were thrills galore for cage spectators this season as the fighting Panthers graced the hardwood floor. After losing the first league game with Mt. Whitney, the Panthers came back with strong wins over Tulare and Delano, and losing to Redwood by a three-point margin. Then, in the second game with Whitney, the fighting Varsity came back with a 70-65 win and went on the take the Tulare squad again by an overwhelming score of 73-53. The strong Hanford champions gave us our only sound beating. Probably the most exciting game of the season was our comeback against Redwood in which we scored six points in the last eighteen seconds to tie the game, and won it with a score of 55-52 in a double overtime! Then the team scored another victory over Delano, finishing the season with a 6-4 league record.

The fine quality of Varsity players was shown by Ron Taylor, Jim Lombardi, Ron Carter, Doug Doty, Bill Nicholson, Ken Conklin, and Juan Hernandez. Although there were a lot of injuries to key players throughout the season, Coach Ron Kavern says that he was, "never let down on any game. The boys did a good job all season."

JUNIOR VARSITY CAGERS

Manager Doug Grant and J. V. Coach Bob Otto are held in a tense moment of a game.

Coached by Mr. Bob Otto, the Junior Varsity Basketball team showed a lot of strength this season, having a season's record of eleven wins and only five losses. Although four of these losses were in league games, the J.V. cagers took a respectable second place finish in the league. The team showed a very good offense throughout the season and improved tremendously on defense as the season progressed.

The most valuable players on this year's J.V. squad were Chris Berryhill, George Eckard and Dan Vossler, who showed the hustle needed on a good basketball team. The team's best efforts came in the second game against Mt. Whitney and Hanford when they upset Whitney 48-32, and dropped an exciting and tight game with the Hanford squad, 44-47.

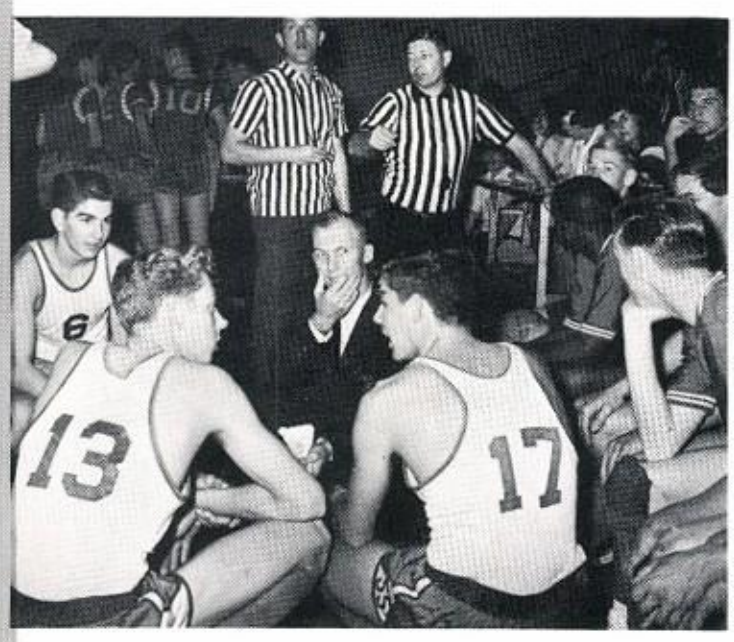
To be scorekeepers such as Vicki Simmons, Beverly Johnson, and Kathy Wilson takes equal amounts of practice, ability, and school spirit.

BOTTOM ROW, LEFT TO RIGHT: D. Kirby, D. Robertson, F. Spallina, R. Jones, D. Durbin, D. Rauber, J. Short. **ROW TWO:** J. Tucker, T. McDonald, M. Pearson, A. Elliott, M. Severns, M. McConnell, B. Ohde, R. Gibson.

B CLASS CAGERS

The Panther Cub Cagers, coached by Harlin Hawkins, started out slowly this season, winning only one of their first six games. Then the team seemed to come out of the slump, winning five games in a row before falling at the hands of the Hanford squad. "From that point on," states Coach Hawkins, "our playing deteriorated rather than improved. " The Cubs finished the season with a 3-7 league record.

The best games were played in non-league competition against East Bakersfield, South High and Tulare Western. Top players on the "B" team include John Tucker, Dennis Durbin, Tom McDonald, John Short, Allan Elliott and Randy Jones. The team was largely inexperienced but very well balanced so all the men on the team played in most of the games, giving them valuable experience for future years of participation in basketball.



Coach Harlan Hawkins urges the Cubs on to victory during a time-out.

A record of game points and high individual scorers are two of the facts which are kept for each game by scorekeepers Betsy Darringer, Carol Wilenius, and Kathy Johnke, accompanied here by Tom Bergthold—manager.

C CLASS CAGERS

The PUHS "C" class basketball team, coached by Mr. Roger Bosshart, finished the season breaking even with a 5-5 league record. The season started out slowly for the Kittens, losing four of their first league games. Then as the season progressed, and the experience and skill of the team increased, the top scoring of Ken Land and Dennis Dulay, aided by the rebounding showed by Ron Moore and Bob Marshall, paid off for the Kittens, allowing them to win four of the last five league games. Team spirit and fight were shown in games against such teams as Tulare and Delano, who, having handed the "C's" beatings in the first games, were surprised when the Panther Kittens came back in the second games to win.

Scorekeepers Connie Bosley and Carolyn and Patsy Smeltzer are kept busy recording each new score as David Jones and Andy Gomez, managers, look on.

Coach Bosshart gives team captain Ken Land some pre-game advice.

WRESTLING

PUHS varsity and JV wrestling teams both capped the C.Y.L. Championship titles with 10-3 records this year. JV Coach Jamison commented that the season's best JV match was between Pete Castaneda and a Hanford opponent. Our man lost by 19-20, but it was a record most points scored for PUHS. Coach Williams considered the Tulare and Redwood matches best because the Panthers were able to come from behind in the last few bouts to win by 3 points. Dennis Ellis, Gary Dove, Larry Brown, Mike Avila, and Van Smith were the best varsity matmen, while most improved were Albert Martinez, Tom Cemo, and Chris Oliveria. Seven of these PUHS men also qualified for the Valley Tournament at Fresno. Grapplers Pete Castaneda, Jack Rapp, Allyn Waggle, and Roger Castaneda headed the JV squad with Ken Moorhead, Vince Arcure, and Bob Edwards showing the most improvement. The efforts of members of both teams and their determination and perserverance were the prime factors enabling them to be on top of the league.

CROSS COUNTRY

Requiring long hours of training, great stamina, and strong bodies, Cross Country is one of the most strenuous sports offered at P.U.H.S. The Frosh-Soph team wrapped up the season holding berths of third in league, fourth in divisional, and fifth in valley competition, which includes more than fifty high schools. Coached by Orval Gillett, this and the Varsity team gained valuable experience along the cinder path and learned to practice good sportsmanship at all times. **PICTURED ABOVE, BOTTOM ROW, LEFT TO RIGHT:** C. Many of us think that golf is a simple game. Actually, golf is one of the most competitive sports offered at PUHS, while at the same time it is an individual sport, the benefits of which can be carried over into adult life. The golf team is growing rapidly. There are now nineteen members and next year's team is expected to be even larger. The team is optimistically believed to be one of the best in the valley. Veteran golf coach Tracy Armstrong stated that the 1964 golf team is a favorite to win the league championship.

VARSITY BASEBALL

Coach Dave Frederick was a source of encouragement for the Panther baseballers.

Fine pitching and long-ball hitting on the part of the Panther Varsity Baseball team, coached by Dave Frederick, boosted the 1964 squad to a dazzling seven straight wins in the first half of CYL competition. Then the pitching went into a slump and the local nine lost the next three games. Batting hovered close to par, but a number of errors harmed the team's record.

With a league record of 2-1, which places them in a second place at press time, the Panther nine looks as if it will close out the season with a respectable record. Team assets are the excellent pitching of Bubba Frasher and Jerry Tyler, who both have 3-1 overall records, and the strong sluggers Ron Taylor, John Clark, and Larry Brown, who is batting .436 with six homers. Team spirit is another plus factor for the Panther baseballers. Coach Frederick stated that as of press time, the teams to beat are Hanford and Mt. Whitney, which are tied for first in the league.

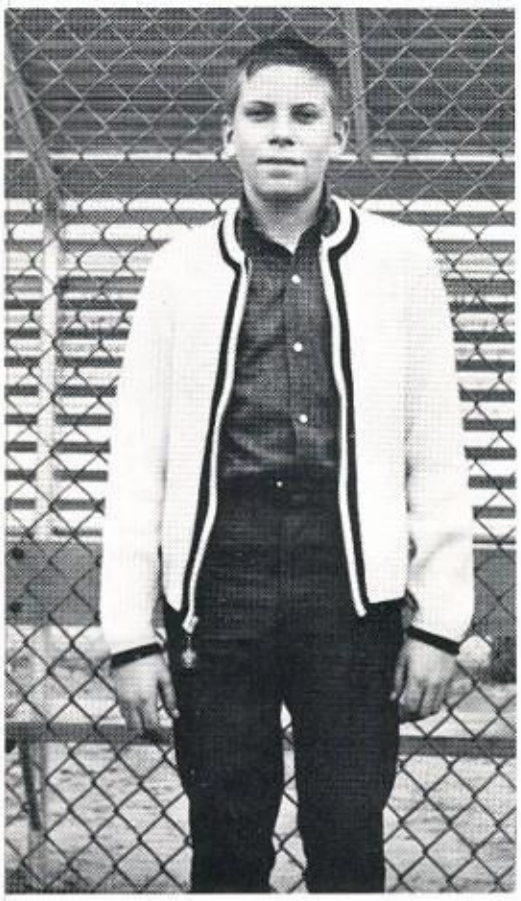
JV BASEBALL



Manager David Jones

The fighting Junior Varsity Cats started their season with two consecutive wins, topping North High, 3-2, and demoralizing Exeter High by a score of 15-1. The team is composed mostly of sophomores. Jim Tyler, Mike Davidson, and Bill Mauldin being the only three returning lettermen from last year's team. Pitchers on the Junior Varsity squad include veterans Bill Mauldin, Dan Vossler, and John Spears. Although the team is young and inexperienced, Coach Ron Kavern speculates that if hitting power comes through and the team continues being backed by steady pitching, the outlook for the J.V. Panther Cats is very favorable.

FROSH

The Frosh baseball team holds a 4-5 record at press time; two of these wins were league games which the local squad split. Coach Harlan Hawkins commented that the team has a good pitching staff and several skilled infielders. Although batting will probably be the team's greatest weakness, the coach felt that the Frosh team's pitching, coupled with strong team spirit, will help push the team to victory in a better than .500 season. Selected as top hitters by Coach Hawkins were Allan Elliott and Bob Pugh. Bob Marshall and Conrad Lopez were named best pitchers. All team members, whatever their skill, will receive valuable experience from playing on the 1964 Frosh baseball squad and will be valuable assets for next year's Varsity and JV teams.

TENNIS

THE TOP TEN PANTHER NETTERS—BOYS: B. Stewart, J. Caulk, D. Banta, G. Stanton, W. Allen. **GIRLS:** T. Perez, B. Mohler, G. Adams, S. Lockhart, L. Butler.

Because they seldom have an opportunity to watch the tennis team in action, few students are aware of the important position this team holds in Panther athletic competition. Tennis is a contest of one man's skill matched against another's; ability in getting off a fast serve and in covering your side of the court are therefore very important to success. Coaches Smith and Morris stated that the 1964 team is stronger than last year, as evidenced by a 4-2 record as we go to press, but so are the other league competitors more powerful. They concluded that the tennis team's job this year will be to fight to improve their standing from last year's position as fourth place netters in the league. They seem to be off to a good start.

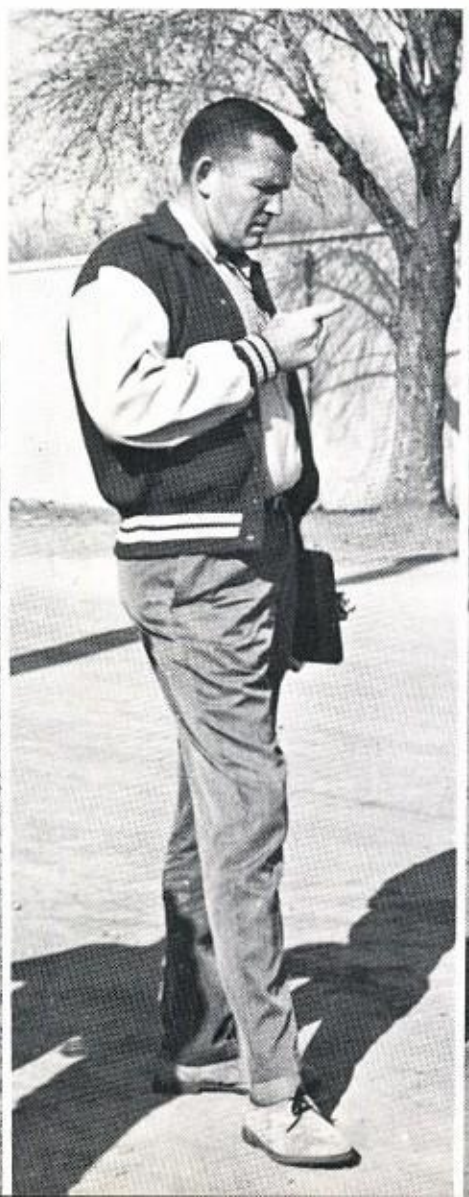
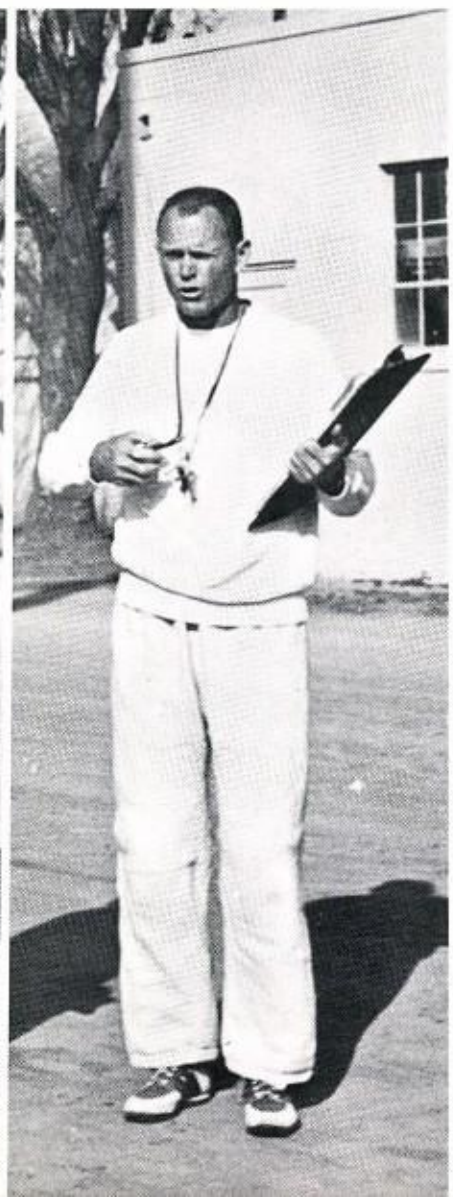
TRACK AND FIELD

Coaches: Bob Bottoms, Sim Iness, and Orval Gillett.





One of the most competitive sports on the PUHS campus is Track and Field. The first thinclad outing of the 1964 season showed the Panthers being defeated in all three classes, even with such wins as Jim Crichlow's blue ribbon in the 440 yd. dash and second place in the 100 yd. dash and broad jump. Another outstanding competitor in this meet was Roger Noel, who took first place in the pole vault with a vault of 12 feet.

In the second meet, the Panthers came back and defeated Exeter in all three classes in a tri-meet. Again, Jim Crichlow had an outstanding showing, taking first place in the 100 yd. dash, 440 yd. dash, and the broad jump. Ron Jefferies showed his skill as a hurdler by placing first in the 180 yd. low hurdles and second in the 120 yd. high hurdles. Other outstanding track and field men are Sherman Gibson, Bob Alcaparras, Rick Stehens, Tom McDonald, and Ken Deputy.

Those who participate in the track events are greatly benefited by the coaching of head coach Orval Gillett, while Sim Iness and Bob Bottoms coach the field events.

Although this year's girls' swim team is not of a gigantic size, big things are expected of it this season and in future years because of the interest shown in swimming by the lower classmen. The pace-setters on the team are upperclassmen Mary Choate and Diana Dotters who specialize in free-style swimming. The bulk of the team is made up of enthusiastic freshmen and sophomores, the quality of which is shown by Julie Botts, a newcomer to the team, who is a master of all strokes. Working at Sunnyside Pool has been a distinct advantage to the team because it was possible for them to start practice at the first of the second semester.

The 1964 boys' swim team, coached by Lowell Semans, is expected to make outstanding achievements in the course of this season. It is headed by outstanding individuals such as Jack Ettner, who practices all strokes with equal dexterity. Top performers in the breast stroke department are Doug Greene and John Darcy, while Bill Bennett is continually showing his skill with the butterfly stroke. Top notch divers on the team are Jeff Morris and John Perez, who, coached by Bob Otto, are high point winners.

Although the team lacks depth, the quality of swimmers is superior. Five school records have already been broken and more are expected to fall during the season.

Educators — what does the word mean to you? These are the people who are giving their time and knowledge to help us. They cared enough about the younger generation, the future society, to teach us, to help each of us gain knowledge in as many fields as possible.

As we walked through the halls, we had time to chatter with our friends, but still we continue to whisper in class. We argued with teachers, trying to get them to change the answer or postpone the test. We never stopped to try and understand why they were always so strict. As you look into the faces of these members of the faculty this time, look at them as friends — truly those who greatly care about the younger generation.

During the preparation period, some teachers take a coffee break while others type nasty old tests.

The members of the Board of Trustees elected by the people of Porterville to represent them, are responsible for the operation of Porterville High School, Porterville College, Johnsondale Branch High School, and Martin Memorial at Springville.

Many hours are unselfishly spent planning and policy making for the secondary schools in the Porterville area. Though the average student seldom comes in contact with these people still their decisions directly affect all of us.

PUHS DISTRICT ADMINISTRATION

"STUDENTS YOU ARE AND STUDENTS YOU WERE"

Student days will all too soon be memories which will be a constant reminder to you of what you were. You are now setting the patterns which will be with you forever as a reservoir of knowledge of past achievements, past successes and, yes, past failures.

"For such are we" that we can build for the future but only remember the past. Create well your image, for students "such as you are now" will soon be: "such as you were". "For such are we" that we live in memory, so live well, students.

Charles W. Easterbrook
District Superintendent

Today's high school student is a very much more serious person than the student of one generation ago. This serious attitude of students is, in part, a result of the uncertainties of living during the exciting second half of the twentieth century. The serious high school student hopes to reduce uncertainty through his application to the business of acquiring an education.

There is another side to the personality of our modern high school student. This serious student has, in and out of school, influenced dancing, dress, automobiles, music, art, literature, and recreation to an extent unique to his generation. The distribution of interests among students is encouraging evidence that the future of our nation and our world is in good hands.

ADMINISTRATIVE ASSISTANTS

An educational wheel must run smoothly. These few people are an important part of the Wheel — the operation of our school. The duties and responsibilities of administrators are not always so pleasant but are for the betterment of students. It's not only the bad things or the good things they look for, but the equal sides of each individual's personality.

COUNSELORS

Counselors play a vital part in a student's high school career. They are always there to give a helping hand whenever it is needed. They assist him in evaluating his capabilities and plan a schedule accordingly. Counselors also spend much of their free time helping with extra-curricular activities such as assemblies, dances, and the yearly prom. When the four years of high school are completed, these dedicated men and women have done their part by helping the students pave the way into the future.

MATH

Since math is so widely used, the department must teach skills for all courses of study. The business student is offered general math and business math. BUSINESS

The business department is one of the largest departments on the campus. These vocational courses are many, and cover a number of assorted subjects. General math and business math offer most of the math used in the business world today. Shorthand, clerical practice, and bookkeeping provide skills which are necessary for a business vocation. Business machines, typing, law and sales are also courses which prove useful. A business curriculum can be combined with an agriculture or a college prep curriculum.

SCIENCE

Science classes range from general science through biology, chemistry, and physiology. General science teaches the fundamentals of the more specific sciences. Biology and physiology are natural sciences. In these classes, students learn about plant and animal life. Knowledge of animal life comes through dissecting. Chemistry also provides a similar road to learning. Laboratory experiments offer many interesting experiences. Physics, which deals with the laws of matter, rounds out the science offered at P.U.H.S.

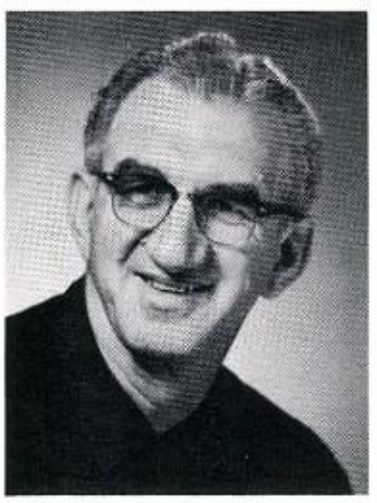
MUSIC



Mr. John Vaznaian
Math, Girls' Glee

There are varied sections in the Porterville music department. In the vocal section, classes include beginning boys' and girls' chorus, glee clubs, and concert choir. The different groups sang at elementary schools, service clubs, and in concerts.

The band is also a familiar section of the Porterville music department. As in the past, they appeared at the home games, and went to Long Beach for the band review. The annual spring concert was also a major event of the year. Both sections worked together to provide a better understanding of all forms of music.

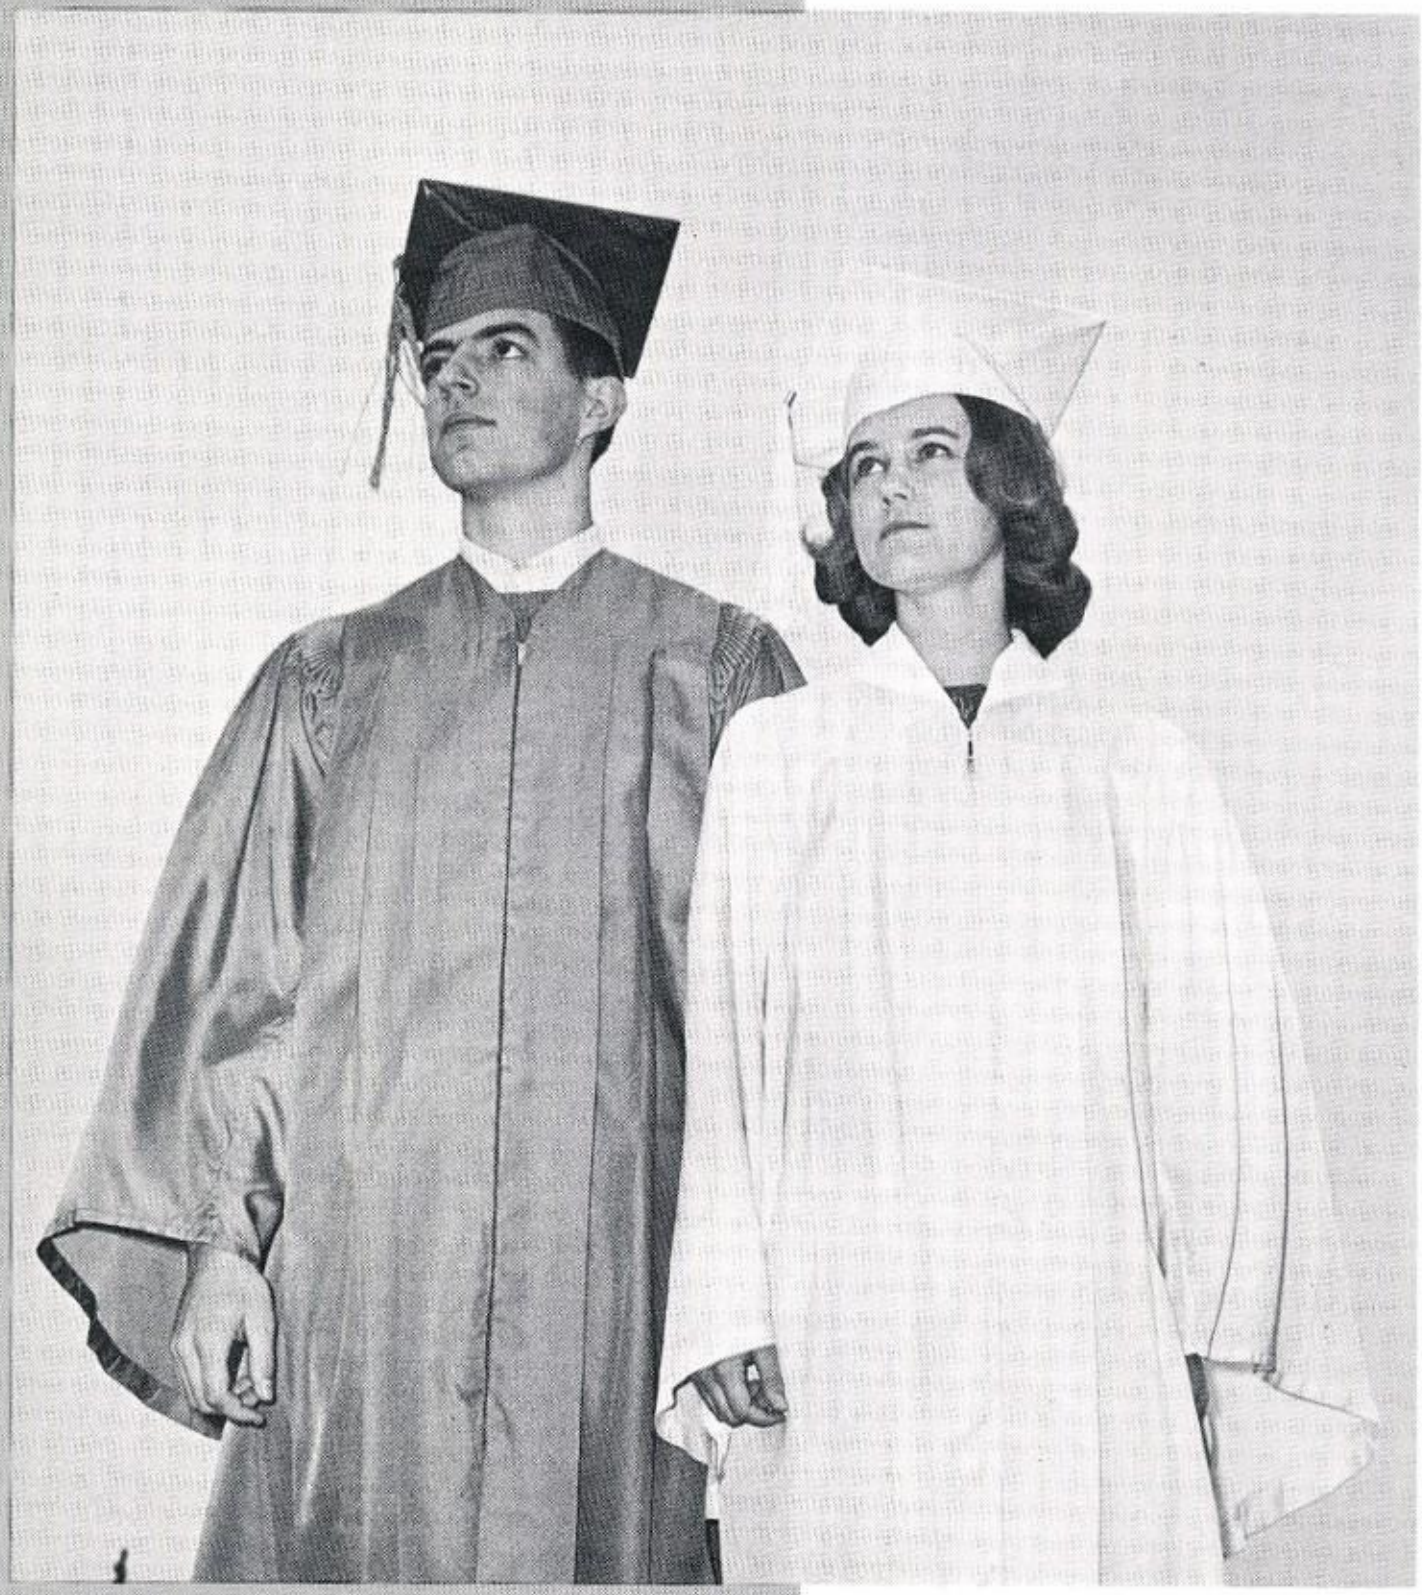
Reflections of SENIORS *through*



As PUHS Seniors, typified here by Richard and Kathy, face college or the career world and adulthood, they leave behind them the past four years of studying, of learning, of growing up, of having fun as teenagers. They look ahead into the future with thoughts of peace, prosperity, and a better world. They represent all of us, today as we graduate, tomorrow when we take another step into the future, every day as we live and learn . . . . they reflect an image of the kind of high school students we all wish to reflect, FOR SUCH ARE WE.

Through trial and error, with happiness and sadness, with much knowledge gained and many friends made we are proud to approach the end of our high school days with memories of a wonderful time.

The Class of 1964 may be forgotten by those of you who will return to Porterville High School to resume studying again in September, but to us it has been "Our Class of 1964." We may be saying good-bye to our friends and teachers and to all the activities we were a part of but these years have marked progress in our lives and made us the people we are today.

The success and publication of the 1964 El Granito was made possible by Larry, Bill, Barbara, Dawn, Gary, Nicki, Ann, Patty (pictured here) and the Junior Staff, along with Mrs. Florence Offutt, our patient and understanding advisor, Jim Lusk, photographer, Mr. James Ruhl of the R. Wallace Pischel printing company, and the S. K. Smith cover company.

CATHY,
HASN'T IT BEEN
NEAT THIS YEAR!!!
YOU'RE RIGHT, IT HASN'T. WELL,
ANYWAY, IT HAS BEEN A
LOT OF FUN & I REALLY HAVE
ENJOYED MEETING & KNOWING YOU
THIS YEAR. I HOPE WE CAN SEE EACH
OTHER A NEAT THIS SUMMER & - OH, I HOPE YOU
HAVE A NEAT TIME IN HAWAII. DON'T BUST
TOO MANY SURF BOARDS! I THINK YOU'RE GREAT,
CATHY, & I WISH YOU ONLY THE BEST IN THE
FUTURE. HAVE FUN & I'LL BE SEEING YOU
BEST OF LUCK FOREVER & EVER. SOON.
LOVE ALWAYS,
GARY

Dear Cathy,
Started to sketch
a picture of the
Hawaiian Surfer
but I'm not a
very good artist
so I'll just
write a
message
that I hope
you enjoy
reading.
Have a
wonderful
summer
vacation
and
keep
smiling
Love
Chris

Kathy
Well I guess we made it through Algebra. Not with flying colors but at least passing. It has been a real pleasure knowing you these past years. I hope I have a few classes with you next year. Be good this summer and I will see you around,
Always Janis

Kathy,
You are really a crazy girl, almost as crazy as me. And it looks like you will go a head (you spell it wrong) I know you will become so. Anyway I hope you see a doctor soon & I want to see you the longest time.
Actually — who else
Love
Judi

I'm sure did
like that cross your
rascal to carry around!

Dear Catherine Joannides,

I love your name. I think that you are a very much of an individualist and that is the greatest thing in the world. I hope you are happy all your life— I think your probably will be. (I never spell that right) Hope I see you this summer and next year. Have fun in Hawaii and have a friend always,

Mary Offield

Cathy -

Glad to hear
from you. I'm
sorry I was
out when you
called. I'll
be free
Saturday
afternoon.
Please
phone me
then.

Love,
Judy

P.S. Is
your
mother
any
better?

-Cathy-
Hasn't English been fun? The subject matter was poor, the teacher was too strict & the work was toooo hard. But the students were a lot of fun, especially You! See you around next year as Big Seniors. Very Truly Yours

the great

Cathy
I have enjoyed this in English. Hope we have classes together next year. Have fun this summer

Cathy
Next year its your turn. You are too sweet to be true. Best of Luck in the future and in everything you do.
A friend Always

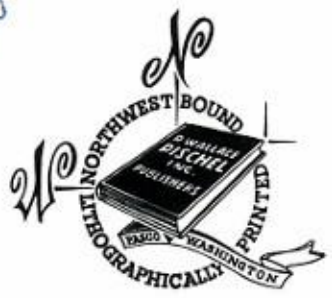
-Kathy-
We really had fun in Chem. Hope you have fun this summer and see you next year



Boy Kath,
a whole page!
what I could do
to it, but I won't.
Well kid, what with
our lunch gettogethers,
birthday parties, laughing
hysteria and long pace sieges
we made it. If we all don't have
lunch together again next year I just
won't be the same! Don't ever cut your
hair unless you consult me first and then
let me cut it! See ya this summer, after your
little trip to the islands.
Good luck
Candy forever

Kathy -
It has been real fun in Peterson's class this year. Wish it didn't end! HA HA.
I hope we can have another class together next year.
Good luck.

-Kath-
To a very swell
girl I have enjoyed
knowing this year. I
hope I have a class with
you next year. Be good this
summer. Friendship,
Linda Bowen

Cathy -
You're a real great leader (in the absence of our always-absent class President!). It's been great working with you & I hope we can share at least a little of our Senior year together.
Best of Luck always,
Linda Jones

Best ever!

- Cathy -
Well Cathy I finally made it and I hope you do to best of luck in the future.
